

GulliverPrep

SWIM SCHOOL

Weather Policies

- If there is Thunder/Lightning within 10 miles of the pool (whether or not the Thorguard went off) the pool will close for 30 minutes. Parents will be notified of the closure through the Remind App and swimmers will be guided towards a safe location.
- If air temperatures drop below 65 degrees swimming will be canceled that day and a closure notification will be sent out through the Remind App.
- If the water temperature drops below 78 degrees swimming will be canceled until the heaters are fixed. Parents will be notified of the closure and reopening through the Remind App.

**If at any time you do not want your child to swim due to air or water temperature, please email rstuckey@gulliverprep.org
