Part 1. Student Acknowledgement and Release (to be signed by student at the bottom)

I have read the (condensed) FHSAA Eligibility Rules printed on Page 4 of this "Consent and Release Certificate" and know of no reason why I am not eligible to represent my school in interscholastic athletic competition. If accepted as a representative, I agree to follow the rules of my school and FHSAA and to abide by their decisions. I know that athletic participation is a privilege. I know of the risks involved in athletic participation, understand that serious injury, including the potential for a concussion, and even death, is possible in such participation, and choose to accept such risks. I voluntarily accept any and all responsibility for my own safety and welfare while participating in athletics, with full understanding of the risks involved. Should I be 18 years of age or older, or should I be emancipated from my parent(s)/guardian(s), I hereby release and hold harmless my school, the schools against which it competes, the school district, the contest officials and FHSAA of any and all responsibility and liability for any injury or claim resulting from such athletic participation and agree to take no legal action against FHSAA because of any accident or mishap involving my athletic participation. I hereby authorize the use or disclosure of my individually identifiable health information should treatment for illness or injury become necessary. I hereby grant to FHSAA the right to review all records relevant to my athletic eligibility including, but not limited to, my records relating to enrollment and attendance, academic standing, age, discipline, finances, residence and physical fitness. I hereby grant the released parties the right to photograph and/or videotape me and further to use my name, face, likeness, voice and appearance in connection with exhibitions, publicity, advertising, promotional and commercial materials without reservation or limitation. The released parties, however, are under no obligation to exercise said rights herein. I understand that the authorizations and rights granted herein are voluntary and that I may revoke any or all of them at any time by submitting said revocation in writing to my school. By doing so, however, I understand that I will no longer be eligible for participation in interscholastic athletics.

With full understanding of the risks involved, I release and hold harmless my child's/ward's school, the schools against which it competes, the school district, the contest officials and FHSAA of any and all responsibility and liability for any injury or claim resulting from such athletic participation and agree to take no legal action against the FHSAA because of any accident or mishap involving the athletic participation of my child/ward. As required by F.S. 1014.06(1), I specifically authorize healthcare services to be provided for my child/ward by a healthcare practitioner, as defined in F.S. 456.001, or someone under the direct supervision of a healthcare practitioner, should the need arise for such treatment, while my child/ward is under the supervision of the school. **Consent and Release from Liability Certificate for
 Sudden Cardiac Arrest and Heat-Related Illness (Page 3 of 4)**

This completed form must be kept on file by the school. This form is valid for 365 calendar days from the date of the most recent signature.

School: _____ School District (if applicable): _____

Sudden Cardiac Arrest Information

Sudden cardiac arrest (SCA) is a leading cause of sports-related death. This policy provides procedures for educational requirements of all paid coaches and recommends added training. Sudden cardiac arrest is a condition in which the heart suddenly and unexpectedly stops beating. If this happens, blood stops flowing to the brain and other vital organs. SCA can cause death if it's not treated within minutes.

Symptoms of SCA include, but not limited to: sudden collapse, no pulse, no breathing.

Warning signs associated with SCA include: fainting during exercise or activity, shortness of breath, racing heart rate, dizziness, chest pains, extreme fatigue.

It is strongly recommended that all coaches, whether paid or volunteer, be regularly trained in cardiopulmonary resuscitation (CPR) and the use of an automated external defibrillator (AED). Training is encouraged through agencies that provide hands-on training and offer certificates that include an expiration date. Beginning June 1, 2021, a school employee or volunteer with current training in CPR and the use of an AED must be present at each athletic event during and outside of the school year, including practices, workouts and conditioning sessions.

The AED must be in a clearly marked and publicized location for each athletic contest, practice, workout or conditioning session, including those conducted outside of the school year.

What to do if your student-athlete collapses:

1. Call 911
2. Send for an AED
3. Begin compressions

FHSAA Heat-Related Illnesses Information

People suffer heat-related illness when their bodies cannot properly cool themselves by sweating. Sweating is the body's natural air conditioning, but when a person's body temperature rises rapidly, sweating just isn't enough. Heat-related illnesses can be serious and life threatening. Very high body temperatures may damage the brain or other vital organs, and can cause disability and even death. Heat-related illnesses and deaths are preventable.

Heat Stroke is the most serious heat-related illness. It happens when the body's temperature rises quickly and the body cannot cool down. Heat Stroke can cause permanent disability and death.

Heat Exhaustion is a milder type of heat-related illness. It usually develops after a number of days in high temperature weather and not drinking enough fluids.

Heat Cramps usually affect people who sweat a lot during demanding activity. Sweating reduces the body's salt and moisture and can cause painful cramps, usually in the abdomen, arms, or legs. Heat cramps may also be a symptom of heat exhaustion.

Who's at Risk?

Those at highest risk include the elderly, the very young, people with mental illness and people with chronic diseases. However, even young and healthy individuals can succumb to heat if they participate in demanding physical activities during hot weather. Other conditions that can increase your risk for heat-related illness include obesity, fever, dehydration, poor circulation, sunburn, and prescription drug or alcohol use.

By signing this agreement, I acknowledge the annual requirement for my child/ward to view both the "Sudden Cardiac Arrest" and "Heat Illness Prevention" courses at www.nfhslearn.com. I acknowledge that the information on Sudden Cardiac Arrest and Heat-Related Illness have been read and understood. I have been advised of the dangers of participation for myself and that of my child/ward.

TO: STUDENT-ATHLETE

The school that you have chosen to attend, or participate for as a “Non-Traditional” student, is a member of the Florida High School Athletic Association (FHSAA). The FHSAA has rules that prohibit a member school from making any effort to encourage or entice a student to attend or participate there for athletic purposes. This is called athletic recruiting, and it is not permitted on the high school level. The Florida Legislature, in fact, has directed the FHSAA to “adopt bylaws that specifically prohibit the recruiting of students for athletic purposes.” Florida law also regulates the participation in interscholastic athletics by “Non-Traditional” students.

What follows is an explanation of athletic recruiting rules, as well as regulations related to participation by “Non-Traditional” students, and the penalties for violating them. You and your parent(s) or legal guardian(s) must read this document and declare that you were not recruited to attend or participate for the school for athletic purposes and that you are aware of the regulations regarding participation as a “Non-Traditional” student by signing the attached “Affidavit of Compliance”. The signed affidavit must be submitted to the member school prior to a date not earlier than the first day of practice of the first sport in which the student wishes to participate, as posted on the FHSAA Website.

Please read this information carefully. Sign the affidavit truthfully and honestly. Do not sign the affidavit if you have any questions about these rules or believe that a violation of these rules may have occurred. Instead, have your school’s athletic director contact the FHSAA Office by phone at 352.372.9551 ext. 340 or by e-mail at compliance@fhsaa.org. Violations of these rules and regulations can and do result in severe penalties for the school and the student-athlete. Making an inaccurate statement by signing the affidavit when you know you should not will only make these penalties worse for all involved if violations are later determined to have occurred.

What is athletic recruiting?

Athletic recruiting is any attempt by any employee or athletic department staff member of an FHSAA member school, a representative of the school’s athletic interests or a third party to pressure, urge or entice a student who does not currently attend or participate for that school to change his/her attendance or participation there for the purpose of athletic participation. This occurs when the school employee, athletic department staff member or representative of the school’s athletic interests makes improper contact with the student or a member of his/her family in an effort to pressure or urge the student to go to that school OR promises, offers or gives the student an impermissible benefit in an effort to entice the student to go to or participate for that school.

Who is “a representative of the school’s athletic interests?”

Any person, business or organization that participates in, assists with, and/or promotes a school’s athletic program is considered to be a representative of the school’s athletic interests. This includes, but is not limited to:

- A student-athlete or other student participant in the athletic program at that school;
- The parents, guardians or other family members of a student-athlete or other student participant in the athletic program at that school;
- Immediate relatives of a coach or other members of the athletic department staff at that school;
- A volunteer with that school’s athletic program;
- A member of an athletic booster organization of that school;
- A person, business or organization that makes financial or in-kind contributions to the athletic department or that is otherwise involved in promoting the school’s interscholastic athletic program.

What is improper contact with a student who does not attend a school?

Any contact or communication of any kind with a student who does not attend or participate for a particular school, or a member of the student’s family, in attempt to pressure, urge or entice the student to change attendance to a different school for athletic reasons is improper. The improper contact can either be in person, through written or electronic means such as letters, flyers, e-mails, text messages, social media or through a third party. Did someone talk you into changing to this school to play athletics? Did someone urge you to change to this school to play athletics? If so, you may have been athletically recruited.

Affidavit of Compliance with the Policies on Athletic Recruiting & Non-Traditional Student Participation

What is an impermissible benefit?

An impermissible benefit is any benefit that is promised, offered or given to a student or a member of his/her family but is not offered or generally made available to all students who apply to or attend or participate for the school. Did someone promise, offer or give you anything more than what any other student who attends or participate for this school is generally promised, offered or given that caused you to decide to change to this school? If so, it probably is an impermissible benefit.

What is a “third party”?

A “third party” is an independent person, business or organization who may or may not be a representative of the school’s athletic interests.

What are the penalties for violations of athletic recruiting rules by a member school?

A member school that violates athletic recruiting rules will be assessed one or more of the following penalties:

- A public reprimand;
- A financial penalty;
- Forfeiture of all contests and awards won in which the student who was athletically recruited or received an impermissible benefit participated or contributed;
- One or more forms of probation (administrative, restrictive or suspension) for one or more years;
- Prohibition against participating or coaching in certain competitions, including state playoffs, for one or more years in the sport(s) in which the violation(s) occurred;
- Prohibition against participating in any competitions for one or more years in the sport(s) in which the violation(s) occurred;
- Restricted membership for one or more years during which some or all of the school’s membership privileges are restricted or denied;
- Expulsion from membership in the FHSAA.

What are the penalties for a student who is found to have been athletically recruited or receives an impermissible benefit?

A student who is found to have accepted an impermissible benefit will be ineligible for athletic competition for one or more years at the school where the violation occurred, and may be declared ineligible for athletic competition at all FHSAA member schools for one or more years.

What are the regulations regarding the participation of “Non-Traditional” students?

A Non-Traditional student is eligible to participate provided:

- The student meets the same residency requirements as other students in the school at which he/ she participates; and
- The student meets the same standards of acceptance, behavior and performance as required of other students in extracurricular activities; and
- The student registers with the school his/her intent to participate in interscholastic athletic competition as a representative of the school, utilizing the official Association process as approved by the Executive Director, **prior to participation** in the sport(s) in which he/she wishes to participate, as posted on the FHSAA website; and
- The student complies with all FHSAA regulations, including eligibility requirements regarding age and limits of eligibility, and local school regulations during the time of participation; and
- The student provides proof of basic medical insurance coverage and both independently secured catastrophic insurance coverage and liability insurance coverage which names the FHSAA as an insured party in the event the school’s insurance provider does not extend coverage to such students; and
- The student provides his/her own transportation to and from the school; and
- The student provides to school authorities all required forms (including, but not limited to, the EL2, EL3 and, where applicable, the EL7, EL7V, EL12, EL12V and EL14) and provisions.

What are the penalties for violations of regulations regarding “Non-Traditional” student by a member school?

Allowing students to participate without properly registering a non-traditional student will subject the school to a monetary penalty.

Accident Insurance, Transportation, and Special Events

ACCIDENT INSURANCE. Gulliver Schools has a student accident excess insurance policy. Because this insurance is excess coverage, parents must file a claim with their primary insurance provider prior to submitting a claim with Gulliver's policy. Gulliver's insurance is limited to injuries sustained while a student is participating in Gulliver-sponsored and sanctioned activities only.

PLEASE NOTE THAT, TO THE EXTENT YOU DO NOT COMPLY WITH YOUR PRIMARY INSURANCE CARRIER'S REQUIREMENTS (for example, going to an out-of-network provider), THE EXCESS COVERAGE PROVIDED BY GULLIVER'S EXCESS INSURER MAY NOT BE AVAILABLE OR MAY OTHERWISE BE LIMITED.

As with most insurance claims, time is of the essence. Gulliver's policy requires that the written notice of a claim must be given to the insurer within 30 days after a loss occurs or starts. In addition, the insurance company must receive the actual claim form within 45 days after the loss. Therefore, a claim must be filed as soon as reasonably possible in order to insure that it can be processed. Late submissions may be subject to denial by the insurance carrier.

TRANSPORTATION. Gulliver Schools maintains a fleet of vehicles and, whenever possible, Gulliver will provide transportation to and from school-sponsored activities and athletic events, including intercampus programs. Parents must provide written authorization when alternate forms of transportation will be used for their children. This includes students as passengers with student-drivers or adults other than the student's own parents. Parents of student drivers must provide written acknowledgement that their children are taking on other students as passengers. Gulliver Schools cannot assume liability for drivers of non-Gulliver-owned vehicles, except for vehicles leased or rented from approved companies by GulliverSchools.

WE UNDERSTAND THAT FROM TIME TO TIME TEACHERS, COACHES, OTHER EMPLOYEES, STUDENTS, PARENTS, AND THOSE ASSOCIATED AND/OR NOT ASSOCIATED WITH GULLIVER, MAY DECIDE ON THEIR OWN TO HOST OR PARTICIPATE IN EVENTS WHICH ARE NOT GULLIVER SANCTIONED OR SPONSORED, AND YOU UNDERSTAND THAT GULLIVER CANNOT AND DOES NOT ASSUME ANY RESPONSIBILITY, LIABILITY OR OBLIGATION FOR ANY EVENT THAT IS NOT EXPRESSLY SANCTIONED OR SPONSORED BY GULLIVER. PARTICIPATION IN THESE EVENTS IS NOT ENDORSED OR SANCTIONED BY GULLIVER AND IS VOLUNTARY AND SOLELY WITHIN THE DISCRETION OF THE PARTICIPANT'S PARENTS. ALL GULLIVER-SANCTIONED EVENTS REQUIRE PARENT AUTHORIZATION SLIPS TO BE SIGNED BY PARENTS OF PARTICIPATING CHILDREN. Parents are responsible for ensuring that responsible adults properly supervise activities that their child attends. We recommend that parents call the hosting family to ensure that any such activity has been planned for their home and that they plan to personally supervise the event. GULLIVER UNDERTAKES NO DUTIES WITH RESPECT TO EVENTS WHICH ARE NOT OFFICIALLY SPONSORED BY GULLIVER.

ACKNOWLEDGEMENT. I have read and understand this agreement and I freely and voluntarily accept and agree to its terms and conditions. I have also read the student and parent handbook and have acknowledged in writing that I have agreed to abide by the policies and procedures therein.
