

TOURNAMENT HOURS

Lines in the water at 7:00 a.m. on Saturday, April 25, 2026.

Weigh-in will begin at 2:00 p.m. and close at 4:00 p.m. on Saturday, April 25, 2026.

All fish intended to be scored MUST be weighed the day they were caught and shall be considered eligible only if they are located in the weigh-in line and checked in by a tournament official before the weigh-in closes (4:00 p.m.). RULES

Boats may depart from any inlet; no check-in is required. Fishing is permitted ONLY in United States waters. All registered anglers must, if applicable, possess a valid Florida Saltwater Fishing License. Please refer to [Florida Wildlife regulations](#) for size and bag limits for all fish. All [International Game Fish Association \(IGFA\) rules and regulations](#) apply throughout the tournament. All team members must fish from the same boat. No hand lines or electric reels may be used. Fish must be hooked and landed on a single rod and reel. If hooked on two (2) rods, you must cut one (1) line. Only registered anglers may touch a rod once a fish is hooked or engaged.

ELIGIBLE FISH

All fish presented for weigh-in must be in fresh, edible condition and caught on tournament day. No mutilated fish will be accepted (based on the Tournament Committee's opinion). All participating anglers are encouraged to release all fish not being entered into the competition. The release of fish should be in keeping with the best conservation methods to ensure continued life. It is the angler's responsibility to maintain their catch fresh prior to the weigh-in. Any gray fish or any other fish that do not appear fresh at the time of the weigh-in will be subject to scrutiny by the Tournament Committee and may result in disqualification of the fish and/or team.

Only fish weighed in the presence of the registered angler who caught it will be eligible for prizes. Scoring will be derived from each angler's heaviest dolphin, pelagic (tuna, kingfish, wahoo or cobia, excluding bonita and amber jacks) or bottom

fish (grouper or snapper) for angler prizes. In the case of a tie in any prize category, the earliest weigh-in time shall determine the winner. All fish to be weighed must be weighed at Key Biscayne Yacht Club. The committee will determine the ranking of these fish.

Tampering: Fish must be intact with no evidence of spearing, bang-sticks, weight tampering, or other rule violations. It is the responsibility of the angler to ensure that all foreign objects are removed from the fish. Such objects include but are not limited to: hooks, leaders, ice, and weights. Hooks or bait that have passed through the mouth and into the gullet may be left in place. Any fish may be subject to a gut check after weighing at the discretion of the tournament officials. The Weigh-In Committee has the right to inspect and mark all fish presented for weigh-in. Inspection may be done by any means necessary. **All decisions made by the Tournament Officials as to the eligibility of a fish for weigh-in are final.**

VIOLATIONS

The eligibility of entrants or entered fish, disqualifications, and any other matters not specifically covered by these rules will be decided by the tournament officials. The tournament officials may disqualify any person who commits any violation of tournament rules, knowingly or not, and may disqualify entrants from this tournament and from future tournaments and events. During the tournament, any violations of local, state, or federal laws will be reported to the proper authorities, and violators will be subject to any fines or arrest, as specified by the law.

RELEASE OF LIABILITY

It is expressly understood that all participants in the Gulliver Prep Fishing Tournament, or any of its events including the Captain's Party and Weigh-In Party, enter at their own risk and that Gulliver Prep, their officers and directors, and all persons connected directly or indirectly with the operations of the tournament, or any sponsor of the tournament, shall be exempt from any liability for slander, loss, damage, negligence, harm, injury, or death suffered by any participant, entrant, sport-fisherman, or their companions, boat captains, mates, crew members, guests, vessels, and equipment, which may occur during the tournament. The tournament reserves the right to refuse tournament entry from prospective entrants or entrants, with or without cause, at its sole discretion. Entrants and other applicants proposing to fish on boats that have been barred from other fishing tournaments can expect to have their entry rejected. Any applicant refused entry shall be entitled to a refund of all entry fees.
